Dear Congressman Kuhl:

On behalf of our four million members, the National Rifle Association Political Victory Fund endorses your candidacy for reelection to the U.S. House of Representatives in the twenty-ninth congressional district of New York.

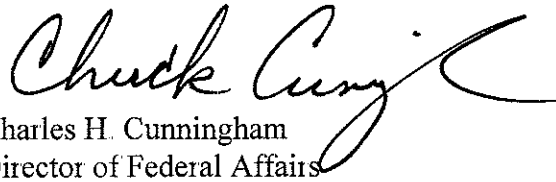

During your tenure in Congress, you have been a strong and consistent supporter of the Second Amendment. You have fought for the passage of the Protection of Lawful Commerce in Arms Act, which will prevent the anti-gun lobby's shameless attempts to bankrupt the American firearms industry through bogus lawsuits. You have also been a consistent and relentless supporter of an individuals' right to self-defense by cosponsoring and voting for an amendment that would finally restore the rights of residents in our nation's capital to own and use a firearm to protect their families and homes. You have most recently demonstrated and reaffirmed your support for the Second Amendment when you voted for the Disaster Recovery Personal Protection Act, which would prohibit the confiscation of lawfully possessed firearms during an emergency or natural disaster. Your leadership on the House floor with regard to the Disaster Recover Personal Protection Act was resolute and steadfast.

As you know, our Second Amendment rights and hunting heritage are very important to upstate New Yorkers, and your positions on these issues demonstrate a stalwart commitment to the rights of law-abiding gun owners and sportsmen.

Based on your congressional record and responses to our federal candidate questionnaire, you have earned an "A" rating from the NRA-PVF. We urge our members and other gun owners and sportsmen in the twenty-ninth congressional district of New York to vote for your reelection on November 7th.

Good luck this year and we look forward to our continued relationship.

Sincerely,

A handwritten signature in black ink, reading "Chuck Cunningham". The signature is written in a cursive, flowing style with a prominent initial "C" and a long, sweeping tail.
